## FUNDING RECEIVED

**May 27, 1994** □ □ □ □ □ □ □ □ □ □ The Department of Game and Inland Fisheries awarded a grant to the

Town, in the amount of **\$45,750**, to build a public boat dock and ramp. This was the beginning of our Shenandoah River Park.

**October 1, 1998** The Environmental Protection Agency (EPA) awarded a

Brownfields Pilot Grant in the amount of **\$200,000** for an

environmental study on the Big Gem tract to detect any contamination.

**May 20, 1999** The Virginia Department of Transportation awarded a Transportation Enhancement Grant (TEA-21) in the amount of **\$54,000** for First Street landscaping, street lamp banners and kiosk on the municipal building, as well as welcome/entry signs and a historical marker at the river.

**July 19, 1999** The Virginia Department of Housing and Community Development awarded a Planning Grant in the amount of **\$15,000** to be used to develop a plan for revitalization and redevelopment.

□

**January, 2000** □ □ □ □ □ □ □ □ In an unprecedented measure, the Federal Environmental Protection Agency granted Shenandoah **\$15,000** for use in community arbitration and leadership training. The program, the first of its kind in the nation, is to be used as a model for all “Brownfield” redevelopment sites in the country.

□

**March 29, 2000** □ □ □ □ □ □ □ The Virginia Department of Transportation allocated **\$175,000** from the Recreational Access Fund to build a recreational access road at the Shenandoah Boat Landing.

□

**April 12, 2000** □ □ □ □ □ □ □ □ The Environmental Protection Agency awarded a supplemental grant in the amount of **\$150,000**, which increased their funding of October 1, 1998 from the original \$200,000 to a total of \$350,000.

**June 1, 2000**      The U. S. Department of Housing and Urban Development (HUD)

awarded an Economic Development Initiative Special Project Grant in the amount of **\$46,250** for the town to develop a Comprehensive Economic Development Strategy.

**July 28, 2000**      The Virginia Department of Housing and Community Development awarded a Community Development Block Grant in the amount of **\$800,000** to revitalize the downtown area.

**March 16, 2001**      Wrangler donated **\$3,200** toward creating a walking track in

Shenandoah. The River Park was chosen as the location and the walking trail was not completed and dedicated until June of 2010.

**October 25, 2002** The Virginia Center for Innovative Technology awarded a **\$1,500**

grant to assist with the RUS Grant Application for the “Community-

Oriented Connectivity Broadband Pilot Grant Program from

the USDA-Rural Utilities Service.

**March, 2003** The Town received a grant for **\$2,000** from the Virginia Department of

Historic Resources to go toward the fee for completion of the survey

work and submission of the application for designation as a Historic

District. This award went directly to our consultant, Maral Kalbian.

**April 15, 2003** The Virginia Department of Forestry, and the U. S. Forest Service awarded a grant in the amount of **\$20,000** for the Big Gem/

Shenandoah River Rehabilitation Project. This represents a partial

award of the original request of \$25,000. Part of these funds will pay for a part-time Project Manager.

□

**July 24, 2003** □ The Town received the additional **\$5,000** of the original request from

the Virginia Department of Forestry.

□

**September 24, 2003** The Town was awarded a Community-Oriented Connectivity Broadband Grant in the amount of **\$643,493** through the United States Department of Agriculture, Rural Utilities Service. This grant will be used to bring wireless, high-speed Internet service to our community and surrounding areas.

□

**October 21, 2003** □ □ □ □ □ □ The Town was awarded additional funding for the Shenandoah

Transportation Progression Project in the amount of **\$45,000**, from the

Virginia Department of Transportation through their Transportation

Enhancement Program. This will enable the Town to complete the

streetscape portion of their revitalization project, which includes the

installation of gateway signs on each end of Route 340 and on Route 602 as you enter Town coming off the Shenandoah River bridge, a historical marker on the Shenandoah River near the boat landing, banners for the street lamps, benches, trash receptacles, concrete planters, hanging planters, an information kiosk with historical signage, and landscaping.

**October 11, 2000**— The Town participated in a revenue-sharing project with the Virginia

**June 26, 2003** Department of Transportation and Page County to replace sidewalks,

curb and gutter on specified sections throughout the Town. Over this

time period the town invested \$200,000, and this amount was matched

with **\$200,000** from Page County. With these funds, replacement has been completed in the following areas:

1) Third Street between Pennsylvania and Maryland Avenue

2) Pennsylvania Avenue between First and Second Street

3) Pennsylvania Avenue between Seventh and Eighth Street

4) Third Street between Virginia Avenue and Denver Avenue

**February 6, 2004** VF Jeans Wear/Wrangler donated **\$7,500** to the Town of Shenandoah to be used for the purchase of a handicap accessible gazebo for the Big Gem Park.

**June 1, 2004** The Virginia Department of Forestry and the U. S. Forest Service awarded an additional grant in the amount of **\$20,000** for the Big Gem/Shenandoah River Rehab Project. This represents a partial award of the \$25,000 requested.

□

**November 18, 2004** The Virginia Department of Transportation (VDOT) allocated \$333,250 from the Recreational Access Fund to build a recreational access road at the Big Gem Historical and Recreational Park. The project did not go to bid until 2009, and at that point the Town did not have funding for their share of the project in order to move forward. VDOT did not require the Town to repay expenditures for preliminary engineering, so **\$18,977.69**

was retained.

□

**February 18, 2005** □ □ □ □ □ The June 1, 2004 award from the Virginia Department of Forestry was increased by **\$5,000.**

**September 30, 2004**-□ □ The Town received individual donations totaling **\$1,600** for the

□ **April 28, 2005** □ □ □ □ □ □ □ □ □ purchase of picnic tables to be used at Big Gem Park.

□

**June 1, 2005** □ □ □ □ □ □ □ □ □ □ □ The Virginia Department of Forestry awarded **\$15,000** to be used

This was the third year Shenandoah received funding, for a total of \$65,000.

**October 26, 2005** □ □ □ □ □ □ □ Christ United Methodist Church of Shenandoah donated **\$3,782.59** to be used to purchase an aeration system and other items to keep the

water clear in the pond at Big Gem Park. This was ½ of the net proceeds from their first

**October 17, 2005**— R. R. Donnelly of Harrisonburg donated **\$4,500** toward development

of the ball fields at Big Gem Park.

**2007**— Clayton Hinegardner donated a 1/3 scale model of The General steam

engine, which was valued at **\$14,500**. This was placed on First Street.

**March 7, 2008**— The Virginia Department of Forestry awarded **\$6,700** for riverbank

restoration. This included grading the river bank and planting trees.

**October 30, 2008** Page County donated **\$1,000** to be used toward the purchase of

banners to be placed on Route 340.

**December 12, 2008** Christ United Methodist Church of Shenandoah donated **\$6,292.64** to purchase seasonal banners to be placed on Route 340. This was ½ of the net proceeds from their 4<sup>th</sup> annual Silent/Live Auction.

**January 26, 2009** Page Valley Cycling received **\$10,000** from Bikes Belong and has

partnered with the Town of Shenandoah to put bike trails and a pump

track at Big Gem Park.

**November 23, 2009** On November 23, 2009, the Town received a 2009 Kodak American Greenways Award in the amount of **\$1,000** to be combined with the funds donated by Wrangler in 2001 to be used for a walking trail. This segment of trail was completed in June 2010.

**May 19, 2006-** The Shenandoah Beautification Committee received donations and/or

**December 31, 2009** held fund raisers resulting in a total of **\$8,441.10** in funds received during this time period.

**September 10, 2008-** Shenandoah Pentecostal Holiness Church donated \$1,000 toward the

**June 12, 2009** Skate Park, and other individuals and businesses donated combined

funds in the amount of \$2,555.32. This is a grand total of **\$3,555.32**.

**February 12, 2010** The Shenandoah Women's Club donated \$2,347 to build a picnic

pavilion at Big Gem Park. This amount, combined with other funds

received in the amount of \$915, comes to a total of **\$3,262**.

**September 29, 2010-** Tim and Becky Williams have donated **\$1,300** to be used for

**November 9, 2010** improvements to the batting cage on Long Avenue.

**September 9, 2010-** Christ United Methodist Church has continued their annual Silent/

**December, 2010** Live Auction, and for 2009 and 2010 funds will be going toward

building a Veteran's Memorial Park on Virginia Avenue across from the Post Office. They will be handling the funds to build the park. At this time, individuals have donated a total of **\$1,662.30** to the Town for the construction of the park.

TOTAL FUNDING RECEIVED FOR REVITALIZATION

SINCE 1994

**\$2,581,460.85**
