

We have a new segment of paved walking trail along the river. This was funded by a donation of \$3,200 from Wrangler, a Kodak American Greenways Award of \$1,000, town funds and volunteers. There are plans to install a foot bridge over the dry creek bed and extend the trail further up the river. If you must feed the ducks and geese, and we would prefer that you do not (see under Town Hall section of this publication), please feed them near the boat landing. **DO NOT FEED THE DUCKS AND GEESE ANYWHERE NEAR THE WALKING TRAIL.**
